GLOBAL OPHTHALMOLOGY SUMMIT SUPPORT

We invite you to participate in the Second Global Ophthalmology Summit bringing together those involved in global ophthalmology to learn from one another, build networks and explore collaborations to further enhance global eye care with the goal of improving eye health and eliminating vision loss through public health advocacy, global ophthalmology education, research and collaboration.

Support the Global Ophthalmology Summit at [globalophthalmologysummit.org/support](http://globalophthalmologysummit.org/support).

Details
8–10 September 2023
Westin Peachtree Plaza
Atlanta, Georgia

Organizers
- American Academy of Ophthalmology
- Casey Eye Institute, Oregon Health and Science University
- Emory Eye Center, Emory University
- Illinois Eye and Ear Infirmary, University of Illinois Chicago
- Moran Eye Center, University of Utah

Objectives
At the close of the Summit, attendees should be able to:
- Describe the current state of vision impairment and causes in the world
- Develop strategies for meeting the WHO’s 2030 targets
- Identify the role of social determinants of health in vision impairment and health inequities
- Describe the important role of innovation and technology play in meeting the challenges of blindness prevention
- Discuss the importance of equitable partnerships across geographic boundaries, as well as interprofessional entities
- Develop a working knowledge of the tools (knowledge, equipment, funding) necessary to carry out impactful work
- Understanding the global industry supply chain and human resources connecting local ophthalmologists with industry partners
- Understand how to partner with government entities, non-profits and industry in impactful ways
